Here are my minor edits on this document, mostly on the background facts. Thanks for putting it together. Let me know if there is anything else you need.

Subject: After Action Summary of Fruitland hot wash

My trusty log book has you all listed as participating in our Fruitland hot wash on 27 July. Please forward to anyone I might have missed.

I put together an informal summary based on our discussion and I plan to send it up our management chain but wanted you all to give me any edits ahead of that. So take a look and get back to me when you can. Debbie Jordan has expressed an interest in seeing it.

Thanks, Dan
